Join our ever-growing team of volunteers, make new friends and support a local heritage railway.

The Blaenavon Heritage railway is 100% volunteer run and is constantly looking for new recruits in all departments.

No experience is necessary as training will be offered where required. The main attributes we are looking for is a willingness to commit to ensuring the railway has a secure future and the enthusiasm to be part of our team.

Blaenavon Heritage Railway, located on the edge of the Brecon Beacons, is the highest standard gauge railway in the UK and is situated within the Blaenavon World Heritage site.

Every running day the railway requires footplate crews, guards, ticket inspectors, ticket office, tearoom and buffet carriage staff, duty managers, stationmasters and track workers. Volunteers can be trained and mentored by a member of our experienced team.

There are also opportunities in general maintenance, restoration of track and rolling stock, stations, landscaping and customer care to ensure the smooth running of the railway.

**Enquiries are welcome from anyone regardless of ability, we will strive to find the perfect role to suit you.**

The railway would not exist if it wasn't for our dedicated volunteers and YOU could be part of something to be proud of whilst being part of our railway fraternity.

As a volunteer you can expect training in your chosen area of work, for example:

Loco Restoration – Fireman – Driver  
Carriage and Wagon Restoration  
Guard – Ticket Inspector – Tearoom  
Booking Office – Publicity  
Promotion – Catering – Engineering  
Landscaping – Station Staff

Volunteers must be members of either the railway company or society and benefits of membership include 50% discount on travel on the railway (when not on duty), free tea, coffee or bottled water whilst on duty and also 5% discount on purchases in both our shops and 10% discount on purchases from our tearoom.

Young people (minimum age 14) are welcome to apply to be a volunteer and will be supervised at all times by an experienced member of staff.

Written permission must be given by a parent or guardian.

Full details are on our website.
